

Interoperability for Emergency Responders

A selected bibliography of recent publications

Compiled by the [NETC Learning Resource Center](#)

Articles – [Reports](#) – [EFO Papers](#) - [Books](#)

Interoperability - Journal Articles

Title	Author	Journal Title	Description	Publication Date
2020 vision: focusing on the future of fire service communications	Furey, Barry T.	FIRE-RESCUE MAGAZINE	p. 54+	July 2008
800-MHz reconfiguration and public safety interoperability	Buchanan, Dave	PUBLIC SAFETY COMMUNICATIONS	p. 18+	December 2005
Accelerating data interoperability: preplanning data through wireless technology	Galvin, Bob	9-1-1 MAGAZINE	p. 32-35	July 2005
Achieving interoperability	Larton, Dave	9-1-1 MAGAZINE	p. 56	January-February 2003
Achieving voice & data interoperability	Lamensdorf, David	OCCUPATIONAL HEALTH & SAFETY	p. 50+	November 2003
Advancing secure cross-domain development while protecting the critical IT environment	Rhodes, Douglas	HOMELAND DEFENSE JOURNAL	p. 46-47	November 2007
Aiding interoperability	Meleard, Philippe	CRISIS RESPONSE JOURNAL	p. 24-25	2008
Amateur radio operators vital in disaster response		NATURAL HAZARDS OBSERVER	p. 22	November 2004
Answering the call for help with a secure network	May, Paul	9-1-1 MAGAZINE	p. 32-33+	March 2008
Beyond the technological imperative	Cady, Geoffrey A.	9-1-1 MAGAZINE	p. 68-69	September/October 2004
Bioterrorism threat spurs move toward regional solutions	Walks, Ivan	IAEM BULLETIN	p. 9+	March 2003
Bridge the gap: public safety/military radio interoperability is possible now	Springer, Bill	PUBLIC SAFETY COMMUNICATIONS	p. 28-31	November 2006
Bridging the communications gap: a crucial approach for industrial fire teams	Davison, Dawn	INDUSTRIAL FIRE JOURNAL	p. 55+	March 2007
The buzz about 700 MHz: plus, new web site offers forum for interoperability information exchange	Ward, Marilyn	PUBLIC SAFETY COMMUNICATIONS	p. 22	October 2007

CAD & connectivity: dispatch center hardware interoperability	Scott, Mike	9-1-1 MAGAZINE	p. 50-52	September/October 2004
Can we talk? Resolving interoperability problems	Careless, James	ADVANCED RESCUE TECHNOLOGY	p. 53-56	February-March 2004
Can you hear me now? CommLink-Sacramento County's resource to interoperability	Rivera, Suzie	9-1-1 MAGAZINE	p. 68-71	May 2005
A case study of information and communication technology in emergency management training	Woltjer, Rogier, Lindgren, Ida, and Smith, Kip	INTERNATIONAL JOURNAL OF EMERGENCY MANAGEMENT	p. 332-347	2006
The challenge of interoperability	Cashin, Thomas J.	WNYF	p. 14-15	2003
Chicago's OEMC: a unified approach to first response	Careless, James	EMERGENCY MEDICAL SERVICES	p. 56-60	May 2007
Civil support teams choose ICRI for interoperability		ADVANCED RESCUE TECHNOLOGY	p. 38	August/September 2005
Collaboration over adaptation: the case for interoperable communications in homeland security	Jenkins, William O.	PUBLIC ADMINISTRATION REVIEW	p. 319-321	May/June 2006
Collaborative technologies & homeland security	Byrne, Mike	9-1-1 MAGAZINE	p. 101+	Novr/Dec 2005
A common goal: sharing information with other first-responder agencies takes preplanning to a whole new level	Codino, Val	FIRE-RESCUE MAGAZINE	p. 62-64+	November 2007
Communication interoperability: a fire chief discusses his interoperability hurdles & Raytheon's new command & communication rig	Elliott, Tim	FIRE-RESCUE MAGAZINE	p. 17-18	January 2003
Communications - is it our weakest link		CUSEC JOURNAL	p. 1-3	Summer 2003
Communications and coastal protection: Coast Guard in Hawaii faces communications challenges	Furukawa, George	9-1-1 MAGAZINE	p. 26-28+	March 2006
Communications first, then command and control	Lee, Robert E.	IAEM BULLETIN	p. 6+	June 2002
Communications management: thinking outside the box	Ferrell, Virginia	9-1-1 MAGAZINE	p. 58	January-February 2002
Community response grids: using information technology to help communities respond to bioterror emergencies	Jaeger, Paul T.	BIOSECURITY AND BIOTERRORISM	p. 335-345	December 2007
Consolidating operations centers to provide intelligent and collaborative situational awareness	Lapolito, Tony	HOMELAND DEFENSE JOURNAL	p. 44-45	March 2007
Cooperation and communication: a formula for success	Gengler, Dan	SQ	p. 41-42	March/April 2008
Crisis collaboration: beyond radio	Wright,	9-1-1 MAGAZINE	p.	July 2008

	Morgan		44-46	
Crossing the communication dead zone	Peakman, Kellie	BTS: BORDER & TRANSPORTATION SECURITY	p. 98-99+	Quarters 1-2 2003
The D. C. sniper incident: interoperability lessons for homeland defense	Blair, Bruce R.	PUBLIC SAFETY COMMUNICATIONS	p. 20-22	March 2003
Denver model for interoperability	Hansen, Dana	PUBLIC SAFETY COMMUNICATIONS	p. 8-10	May 2006
DHS issues interoperability standards	Eggers, Ron	9-1-1 MAGAZINE	p. 12-13	August 2004
A different approach: interoperability in Pennsylvania	Finley, Toni E.	PUBLIC SAFETY COMMUNICATIONS	p. 8-10	March 2003
Disaster communications interoperability: reaching everyone anywhere, anytime	Barney, Mike and Ferralli, Pete	PUBLIC SAFETY COMMUNICATIONS	p. 54-55+	July 2002
Disaster management interoperability: an IT backbone for emergency responders	Werner, Charles L.	FIREHOUSE	p. 99-100	October 2004
Disaster response: coordinating: a daunting challenge	Serluco, Paul	HOMELAND DEFENSE JOURNAL	p. 38-40	February 2007
Disaster response: interoperability	Serluco, Paul	HOMELAND DEFENSE JOURNAL	p. 36-37	February 2007
Effective communication and command	Klaene, Bernard J. and Sanders, Russell E.	NFPA JOURNAL	p. 42+	May/June 2006
EM-XML: the quest for emergency systems interoperability	Migliore, Matt	CONTINGENCY PLANNING & MANAGEMENT	p. 30-31	September-October 2003
EMS interoperability	Lowell, Jeffrey A.	9-1-1 MAGAZINE	p. 22-24	July 2004
Enhancing law enforcement efficiency with mobile data: the wireless interoperability advantage	Ramirez, Inez and Coffey, Renee	9-1-1 MAGAZINE	p. 48-50	July-August 2002
The evolving role of the public sector in managing catastrophic disasters: lessons learned	Kapucu, Naim and Van Wart, Montgomery	ADMINISTRATION & SOCIETY	30 p. (279-308)	July 2006
First responder communications	Philpott, Don	HOMELAND DEFENSE JOURNAL	p. 22-24+	March 2008
Florida acknowledges communications issue with homeland security	Luke, Barry	PUBLIC SAFETY COMMUNICATIONS	p. 21-22	December 2002
From twisted rubble: a case study in rebuilding a communications network after a disaster	McCallion, Teresa	PUBLIC SAFETY COMMUNICATIONS	p. 36-41	December 2007
Fusing with the EOC: fusion centers offer resources for improving emergency operations centers	Harris, Blake	GOVERNMENT TECHNOLOGY'S EMERGENCY MANAGEMENT	p. 24-26+	Spring 2008
HazOps technology brings interoperability to LAFD haz-mat squads	Harrington, Carey	FIRE ENGINEERING	p. 122-123	February 2006

The human side of interoperability	Forrest, Bob and McClure, Nathan D.	PUBLIC SAFETY COMMUNICATIONS	p. 32+	May 2003
The IAFC's guide to interoperable communications	Werner, Charles L.	FIREHOUSE	p. 117-118	August 2005
In emergency, dial NCS	Bates, David	HOMELAND PROTECTION PROFESSIONAL	p. 30-33	June 2005
Information sharing	Willox, Norm A.	HOMELAND DEFENSE JOURNAL	p. 18-20	January 2006
Information sharing in action	Bergen, Mark	9-1-1 MAGAZINE	p. 62+	May 2004
Information technology: building a strategy to support mining and sharing of data	Serrao, Stephen G.	9-1-1 MAGAZINE	p. 40-42+	September/October 2006
Integrated wireless network: federal system to bridge challenges of local interoperability	McCarter, Mickey	HOMELAND DEFENSE JOURNAL	p. 10-11	August 2004
Intercommunications: achieving interoperability through IP	Hoyne, Thomas	9-1-1 MAGAZINE	p. 52-54	July-August 2002
Interoperability	Murphy, Rick and Lee, Robert E.	9-1-1 MAGAZINE	p. 55-57	July-August 2002
The interoperability "SWEET" spot	Werner, Charles L.	FIREHOUSE	p. 114-115	June 2005
Interoperability - the only way to successful communication	Knegt, Ann-Marie	FIRE & RESCUE	p. 49+	First Quarter 2006
Interoperability - when? Public safety can't forget its federal counterparts	Deweese, Roger	PUBLIC SAFETY COMMUNICATIONS	p. 46-48+	August 2008
Interoperability analysis possible with DHS software	Hoff, Neil	PUBLIC SAFETY COMMUNICATIONS	p. 8-9	November 2005
Interoperability and unified command and control have gone "mobile" and "virtual"	Serluco, Paul	HOMELAND DEFENSE JOURNAL	p. 42	August 2007
Interoperability at last at the airport	Cinquemani, Charles	PUBLIC SAFETY COMMUNICATIONS	p. 67+	July 2002
Interoperability during attack	Souder, Steve	9-1-1 MAGAZINE	p. 30+	January-February 2003
The interoperability evolution: a new road map		FIREHOUSE	p. 50+	July 2006
Interoperability goes mobile	Larson, Randall D.	HOMELAND PROTECTION PROFESSIONAL	p. 34-38	June 2006
Interoperability in the mile-high region	Franssen, Ernest	PUBLIC SAFETY COMMUNICATIONS	p. 12-14+	August 2005
Interoperability isn't just a technology problem	Hall, Carlton	HOMELAND FIRST RESPONSE	p. 26-29	April-June 2003
Interoperability now: integrating emergency communications and information - a Virginia case study	Potter, Jack, Miller, Lynn, DuBrueler, Gary, and DuBrueler, Amy E.	TOPICS IN EMERGENCY MEDICINE	p. 176-180	April-June 2004
Interoperability still key to communications	MacOwan,	FIRE	p. 11	May 2003

	Duncan			
Interoperability stretches to fight California wildfires	Lowry, Glen	9-1-1 MAGAZINE	p. 28-31	January/February 2008
Interoperability survey seeks answers	Proctor, Steven H.	PUBLIC SAFETY COMMUNICATIONS	p. 14	June 2006
Interoperability versus assured communications: critical factors for emergency managers	Philpott, Don	HOMELAND DEFENSE JOURNAL	p. 22+	November 2007
Interoperability versus connectivity	Forrest, Robert T.	9-1-1 MAGAZINE	p. 52-54+	May 2004
Interoperability, National Guard style: new technology links public safety and military responders	Ayers, William Allen and Werner, Charles L.	FIREHOUSE	p. 99-102	May 2007
Interoperability: a new buzzword for an old problem	Furey, Barry T.	FIREHOUSE	p. 66+	January 2003
Interoperability: an in-depth review	Werner, Charles L.	FIREHOUSE	p. 78-80	May 2003
Interoperability: challenges & solutions - the vendor's view	Larson, Randall D.	9-1-1 MAGAZINE	p. 20-22	March-April 2003
Interoperability: even the feds can't talk to the feds	Elliott, Timothy	HOMELAND PROTECTION PROFESSIONAL	p. 14-15	July 2003
Interoperability: it's all about trust	Dervichian, Edouard	CRISIS RESPONSE JOURNAL	p. 37-38	2005
Interoperability: the missing link - wireless data systems in the age of homeland security	Burge, Tony	9-1-1 MAGAZINE	p. 24-26	March-April 2003
Interoperable mobile satellite communications	Corry, Jim	9-1-1 MAGAZINE	p. 40-41	July 2008
IP & public safety communications: improving productivity with continuous wireless data connectivity	Ferguson, Mark	9-1-1 MAGAZINE	p. 36-38	March 2006
It's good to talk	McKeown, Kirsty	FIRE PREVENTION - FIRE ENGINEERS JOURNAL	p. 61-63	July 2003
Keeping communication open	Grace, Rich	BTS: BORDER & TRANSPORTATION SECURITY	p. 86-87	Quarters 1-2 2003
Listen and learn: overcoming the human barriers to interoperability	Careless, James	FRONTLINE FIRST RESPONDER	p. 21-22+	April 2005
A locally-driven approach to affordable interoperability	Rosi, Dave	9-1-1 MAGAZINE	p. 28-30	July 2005
Maintaining communications	Heard, Kenneth	9-1-1 MAGAZINE	p. 34-37	November/December 2005
Making a national network resilient	Whitby, Steve	FIRE & RESCUE	p. 36+	October 2007
Making interoperability a top priority	Pessemier, William	ADVANCED RESCUE TECHNOLOGY	p. 35+	August/September 2005

Managed interoperability: using ICS for interoperability	Vanauken, Gordon	9-1-1 MAGAZINE	p. 40-42+	August 2006
Managing wireless data: Info-cop extends interoperability while broadening data access	Eggers, Ron	9-1-1 MAGAZINE	p. 54-56	May 2005
Melting the "ICE" storm (interoperable communications equipment)	Bradley, Kurt T.	HOMELAND DEFENSE JOURNAL	p. 18+	December 2007
Mobile phone use in emergency response	Landgren, Jonas and Nulden, Urban	CRISIS RESPONSE JOURNAL	p. 54-55	2007
A model of communications interoperability: Orange County, California	Stoffel, Robert A.	9-1-1 MAGAZINE	p. 37-39	March 2008
The myths of interoperability	Elliott, Timothy	HOMELAND PROTECTION PROFESSIONAL	p. 24-29	March 2003
The nation's communications interoperability scorecard: DHS report cites good & bad	Eggers, Ron	9-1-1 MAGAZINE	p. 30-33+	March 2007
National 700-MHz broadband network: revolution or evolution?	Haraseth, Ron	PUBLIC SAFETY COMMUNICATIONS	p. 18-19	January 2008
National public safety radio network closer to reality	Allen, Gary	9-1-1 MAGAZINE	p. 18-19	March 2008
Networked interoperability: Michigan county exemplifies regional cooperation & information sharing	Dundas, Dan	9-1-1 MAGAZINE	p. 50-52	March 2005
On-site information sharing for emergency response management	Yang, Lili	JOURNAL OF EMERGENCY MANAGEMENT	p. 55-64	September/October 2007
Opening lines of communication	Peakman, Kellie	IWA: INTELLIGENCE & WARNING AMERICA	p. 40-42+	Quarter 3-4 2003
Organizing community-level emergency response with interoperable communications	Kaluta, Roman W.	HOMELAND DEFENSE JOURNAL	p. 20-22	February 2006
Plain text: interoperability...more than just technology	Souder, Steve	PUBLIC SAFETY COMMUNICATIONS	p. 18-19	December 2004
Point of contact: liaison officers help facilitate interagency communication on major incidents	Dombrowski, Justin	WILDLAND FIREFIGHTER	p. 32-37	July 2006
PSAPs gear up for multimedia and next generation 9-1-1	Kiernan, Patrick	9-1-1 MAGAZINE	p. 40-41+	August 2007
Public safety communication in the 21st century, part 2	Whitehead, Ron	MINNESOTA FIRE CHIEF	p. 14-15	September/October 2004
Public safety communications	Fay, Bob	9-1-1 MAGAZINE	p. 44-46+	June 2004
Public safety radio systems	Smith, Daniel	9-1-1 MAGAZINE	p. 42-45+	June 2006
Radio interoperability	Careless, James	LAW AND ORDER	3 p. (60-	August 2003

Radio interoperability remains a serious public-safety problem	Careless, James	ADVANCED RESCUE TECHNOLOGY	p. 37-39	62)	April/May 2005
Radio interoperability: a new-age solution to an age-old problem	Mors, Terry	PUBLIC SAFETY COMMUNICATIONS	p. 60-62		January 2002
Radio interoperability: not just a radio problem	Nowakowski, Richard	PUBLIC SAFETY COMMUNICATIONS	p. 34		April 2003
Radio spectrum: the critical foundation for public safety communications	Overby, Stu and Whitney, Don	PUBLIC SAFETY COMMUNICATIONS	p. 22+		March 2008
Regional interoperable communications	Mosier, Tim D.	9-1-1 MAGAZINE	p. 22-23+		September/October 2004
Reliable communications are an essential tool for the job	Worrall, Steve	FIRE	p. 50-51		September 2003
Remember the past, look to the future	Nelson, Robert S.	IAEM BULLETIN	p. 11		March 2003
RF engineering in public safety communications	Bender, Klaus	PUBLIC SAFETY COMMUNICATIONS	p. 32-35		November 2006
The role of IT in improving disaster management: conclusions from a National Research Council report	Rao, Ramesh, Eisenberg, Jon, and Schmitt, Ted	NATURAL HAZARDS OBSERVER	p. 8-10		September 2007
SAFECOM: paving the road to interoperability	Eggers, Ron	9-1-1 MAGAZINE	p. 54+		May/June 2008
Shouldering interoperability	Jeziorowski, Stacy	HSTODAY	p. 46-47		December 2007
Softswitches: solving the interoperability problem	Rosi, David	PUBLIC SAFETY COMMUNICATIONS	p. 32		November 2005
Software radio technology for public safety interoperability	Chapin, John	9-1-1 MAGAZINE	p. 34-35+		January-February 2004
Statewide interoperability: planning tools to get you started	Ward, Marilyn	PUBLIC SAFETY COMMUNICATIONS	p. 22		June 2007
Tactical communications for law enforcement: migrating voice to data to create interoperability	Heal, Charles	PUBLIC SAFETY COMMUNICATIONS	p. 32-36		February 2008
Technology roundup: maximizing safety, efficiency, and interoperability	Dittmar, Mary Jane	FIRE ENGINEERING	p. 59-62+		May 2008
Telephonic interoperability: integrating your 9-1-1 call with your dispatch system	Scott, Mike	9-1-1 MAGAZINE	p. 54-56		January-February 2004
Terrorist drill enhanced by interoperable communications	Whitehead, Christy	9-1-1 MAGAZINE	p. 32-33		January-February 2004
U-turn on service radio strategy	Phillips, Keith	FIRE	p. 25		July 2002
Under fire	Rooney, Dennis M.	PUBLIC SAFETY COMMUNICATIONS	p. 12-13		January 2003
Understanding interoperability		INDUSTRIAL FIRE WORLD	p. 18+		July-August 2004
A vision for 21st century emergency response	Hoyt, K.	TOPICS IN	p.		April-June 2004

Interoperability - Reports

Title	Publication Date	Publisher	URL
Breaking down digital barriers: when and how ICT interoperability drives innovation	November 2007	Cambridge, MA : Harvard University. Berkman Center for Internet & Society	URLs are tested and verified at time of data entry. cyber.law.harvard.edu/interop/pdfs/interop-breaking-barriers.pdf (592.6kb)
Challenges in achieving interoperable communications for first responders	November 6, 2003	Washington, DC : General Accounting Office	URLs are tested and verified at time of data entry. www.gao.gov/new.items/d04231t.pdf (392.7kb)
Communicating risk and warnings: an integrated and interdisciplinary research approach	2004	Newark, DE : Disaster Research Center	URLs are tested and verified at time of data entry. www.udel.edu/DRC/Preliminary_Papers/PP337CommunicatingRisk.pdf (252kb)
Definition of the results to be achieved in terrorism-related information sharing is needed to guide implementation and assess progress	July 23, 2008	Washington, DC : Government Accountability Office	URLs are tested and verified at time of data entry. www.gao.gov/new.items/d08637t.pdf (268kb)
Emergency communications: the Emergency Alert System (EAS) and all-hazard warnings	Nov, 2004	Washington DC: Congressional Research Service	URLs are tested and verified at time of data entry. http://fas.org/sqp/crs/homesecc/RL32527.pdf
Federal leadership and intergovernmental cooperation required to achieve first responder interoperable communications	July 2004	Washington, DC : Government Accountability Office	URLs are tested and verified at time of data entry. www.gao.gov/new.items/d04740.pdf (1.1mb)
Federal leadership and intergovernmental cooperation required to achieve first responder interoperable communications	July 20, 2004	Washington, DC : General Accounting Office	URLs are tested and verified at time of data entry. www.gao.gov/new.items/d04963t.pdf (270.1kb)

Fusion center guidelines: developing and sharing information and intelligence in a new era	August 2006	Washington, DC : The Department	URLs are tested and verified at time of data entry. it.ojp.gov/documents/fusion_center_guidelines.pdf (6mb)
The imminent storm 2006: vulnerable emergency communications in eight hurricane prone states	April 2006	s.l. : The Coalition	URLs are tested and verified at time of data entry. www.firstresponsecoalition.org/docs/Hurricane-Interop-Paper.pdf (442.2kb)
Information sharing and emergency responder safety management	March 30, 2006	Santa Monica, CA : RAND Corporation	URLs are tested and verified at time of data entry. www.rand.org/pubs/testimonies/2006/RAND_CT258.pdf (114.1kb)
Key cross-agency emergency communications effort requires stronger collaboration	April 2004	Washington, DC : General Accounting Office	URLs are tested and verified at time of data entry. www.gao.gov/new.items/d04494.pdf (1.7mb)
Much work remains to improve communications interoperability	April 2007	Washington, DC : Government Accountability Office	URLs are tested and verified at time of data entry. www.gao.gov/new.items/d07301.pdf (1.5mb)
Radio communications for the fire service: a planning guide for obtaining the communications system you need for enhanced safety and emergency preparedness	2005	Fairfax VA: IAFC	URLs are tested and verified at time of data entry. http://www.interoperability.virginia.gov/pdfs/FireDecisionManual120805FINAL.pdf
Reliable public safety radio communications for emergency personnel	2004	Richmond, VA : Commonwealth of Virginia	URLs are tested and verified at time of data entry http://leg2.state.va.us/dls/h&sdocs.nsf/By+Year/HD22004/\$file/HD2.PDF
State interoperable communications: DHS funded activities fiscal years 2003 – 2005	May 2006	Washington, DC : The Office	URLs are tested and verified at time of data entry. www.ojp.usdoj.gov/odp/docs/State_Interoperable_Communications.pdf (1mb)
Statement of requirements for public safety wireless communications & interoperability	March 10, 2004	Washington, DC : The Department	URLs are tested and verified at time of data entry. www.safecomprogram.gov/files/PSCI_Statement_of_Requirements_v1_0.pdf (2.2mb)

Statewide Communication Interoperability Planning (SCIP) methodology	November 1, 2004	Washington, DC : The Program	URLs are tested and verified at time of data entry. www.mipt.org/pdf/Statewide-Communication-Interoperability-Planning-Virginia.pdf (8.5mb)
Strategies for states to achieve public safety wireless interoperability	November 20, 2006	Washington, DC : The Center	URLs are tested and verified at time of data entry. www.nga.org/Files/pdf/0903INTEROP.pdf (258.2kb)
Telecommunications infrastructure in disasters: preparing cities for crisis communications	April 2005	New York, NY : New York University.	URLs are tested and verified at time of data entry. hurricane.wagner.nyu.edu/pickup/report1.pdf (334.2kb)
Top priority: a fire service guide to interoperable communications	2005	Fairfax VA: IAFC	URLs are tested and verified at time of data entry. http://www.vcos.org/PDF%202007/InteropHandbook.3.05%5B1%5D.pdf
The United States Conference of Mayors interoperability survey - a 192-city survey	June 2004	s.l. : The Conference	URLs are tested and verified at time of data entry. www.usmayors.org/72ndAnnualMeeting/interoperabilityreport_062804.pdf (250.3kb)
When they can't talk lives are lost - what public officials need to know about interoperability	February 2003	Washington, DC : National Task Force on Interoperability	URLs are tested and verified at time of data entry. www.agileprogram.org/ntfi/ntfi_brochure.pdf (449.1kb)
Why can't we talk? Working together to bridge the communications gap to save lives - a guide for public officials	February 2003	Washington, DC : National Task Force on Interoperability	URLs are tested and verified at time of data entry. www.agileprogram.org/ntfi/ntfi_guide.pdf (1.6mb)
Why can't we talk? Working together to bridge the communications gap to save lives - a guide for public officials: supplemental resources	February 2003	Washington, DC : National Task Force on Interoperability	URLs are tested and verified at time of data entry. www.agileprogram.org/ntfi/ntfi_supplemental.pdf (3mb)

Interoperability - EFO Papers

Title	Author	Series Data	Description	Publication Date	URL
-------	--------	-------------	-------------	------------------	-----

Communication system interoperability during an emergency event	Scott, L. Ray	Executive Fire Officer Program. Applied Research Project	62 p.	October 2004	URLs are tested and verified at time of data entry. www.usfa.dhs.gov/pdf/efop/efo37551.pdf (179.6 kb)
Establishing the criteria for an interoperability center in Worcester County	Dio, Gerard A.	Executive Fire Officer Program. Applied Research Project	27 p.	November 2004	URLs are tested and verified at time of data entry. www.usfa.dhs.gov/pdf/efop/efo37635.pdf (821.9 kb)
An evaluation of potential radio interoperability solutions for the Roanoke County Fire and Rescue Department	Simon, Stephen G.	Executive Fire Officer Program. Applied Research Project	48 p.	March 2006	Sections of this paper not on the Internet. www.usfa.dhs.gov/pdf/efop/efo39030.pdf (135 kb)
An executive analysis of Orange County regional data interoperability	Robinson, Rick	Executive Fire Officer Program. Applied Research Project	54 p.	July 2006	URLs are tested and verified at time of data entry. www.usfa.dhs.gov/pdf/efop/efo39421.pdf (339.7 kb)
Identifying the interoperability experience of public safety agencies	Werner, Charles L.	Executive Fire Officer Program. Applied Research Project	49 p.	April 1, 2003	URLs are tested and verified at time of data entry. www.usfa.dhs.gov/pdf/efop/efo35672.pdf (187 kb)
Improving interoperable communications for the California Department of Forestry and Fire Protection (CDF)	Eckles, Tim	Executive Fire Officer Program. Applied Research Project	49 p.	May 2004	URLs are tested and verified at time of data entry. www.usfa.dhs.gov/pdf/efop/efo37005.pdf (1.2 mb)
Process to implement an interoperable wireless communications system for the city and county of Honolulu to include the Honolulu Fire Department	Nojiri, Wayne T.	Executive Fire Officer Program. Applied Research Project	42 p.	October 2004	URLs are tested and verified at time of data entry. www.usfa.dhs.gov/pdf/efop/efo37593.pdf (120.4 kb)

Interoperability - Books

Title	Author	Call Number	ID Number(s)	Publication Date
Disaster management interoperability services	Benyeda, Madeline and Benyeda, Paul	HE 7551.2 .B456 2005 MTP	Accession No.: 124508	December 2005
Guiding future homeland security policy: directions for scientific inquiry		HV 6432 .A486 2006 v.2	OCLC Record No.: 62782238	2006
Homeland security and criminal justice: five years after 9/11		KF 221 .P412 2008	OCLC Record No.: 212429462	2008

Homeland security: a complete guide to understanding, preventing, and surviving terrorism	Sauter, Mark A. and Carafano, James Jay	HV 6432 .S261 2005	OCLC Record No.: 57392509	2005
Hurricane Katrina	Hoffman, Mary Ann	HV 636 .U6 H699 2007	OCLC Record No.: 69331483	2007
National hurricane operations plan		QC 851 .U5688 2004	Title Number: FCM-P12-2004	May 2004
National hurricane operations plan		QC 851 .U5688 2006	OCLC Record No.: 70243750	May 2006
Strategies for coordinating disaster responses	Drabek, Thomas E.	HV 551.2 .D756 2003	OCLC Record No.: 51984784	2003
